

## 2023 Winter Field Day

Winter Field Day is coming up fast! If you've not participated in WFD in the past (and we can't blame you if you haven't since it's not always fun to be out in the cold) we hope you'll join us on January 28 for this fun event! We'll be inside this year (in the shelter house at Scott Township Park - the same place where we operated the INQP last spring) so hopefully we won't be quite as chilly as in years past!

**Google Map for Scott TWP Park:** [CLICK HERE](#)

Set-up at 9:00am and Chris KE9YK will have bean soup with cornbread at NOON and you are welcome to bring any snacks and such you might want.

I believe we will have coffee available and you might want to bring a drink

So what say all of you? Do you plan to participate in the W9OG WFD operation? Everyone (hams and non-hams, club members or not) are welcome to join us. Let's have some radio fun!

Check the rules on Winter Field Day at: <https://www.winterfieldday.com/>
