

I haven't heard if anyone had planned to activate a park for the Indiana Parks on the Air contest this year so I thought I'd send out a note. The group here in Warrick County is planning to set up an operation at Lincoln State Park on September 8 as part of INPOTA. We'll be at the Spring Shelter (the same one we used for the Lincoln special event a couple of years ago). We'll set up beginning at 8:00 AM and will start operating at 11:00 AM. We plan to also participate in the Ohio State Parks on the Air event and the WAE DX contest which are going on the same weekend. Everyone is welcome to join us. We plan to have at least two stations on the air so everyone will have a chance to operate. Even if you don't plan to take a turn at one of the rigs please come visit and say hello.

Please feel free to pass this information along to anyone who might be interested. Thanks!!
