

Monthly Newsletter of the Tri-State Amateur Radio Society Serving the Tri-State since 1947 March 2024 – Vol. LXXVII, No. 3

The SPARKS Newsletter is published monthly by the Tri-State Amateur Radio Society as a source of information about Club activities, and general news items of interest to the Amateur Radio community. Material in this newsletter may be reproduced provided that TARS and the article author is properly credited. Complimentary issues of the SPARKS Newsletter are available to amateur radio clubs on a newsletter exchange by e-mailing your request to sparks.w9og@gmail.com.

E-mail subscriptions are provided to all regular TARS members. News contributions and letters/emails to the editor are always welcome.

TARS regular membership is open to all licensed Amateur Radio operators for \$25.00 a year. An Associate membership is also available to those who are interested in Amateur Radio but do not currently hold a license. Associate membership is \$25.00 a year. Student memberships are also available for \$12.50 a year. Membership information is available at www.w9og.net

The Tri-State Amateur Radio Society meets the second Thursday of each month at the Red Cross, 29 Stockwell Rd, Evansville IN, at **7:00 p.m.** Family and visitors are always welcome to attend. For more information, please contact one of the TARS officers listed in this newsletter or email <u>info@w9og.net</u>.

Presidents Corner

March 2024

Recently, we learned about the passing of Rick Jackson, K9EXY SK. He was a great guy and will be sorely missed by myself and many members of TARS. Last year also in the March newsletter, I congratulated Rick on being awarded the McCutchan Award. Rick always had a smile and he always had fun with Amateur Radio. We honor and remember him by doing the same.

For those of you not subscribed to our <u>www.groups.io</u> TARS page, might have missed out on an impromptu class given by Ken Johnson K9KDJ after the TARS ARRL test session on Feb 24^{th.} The subject was an introduction about AREDN. It was attended by a little over 15 people interested in the project. It was suggested that Ken become the chairman of a TARS committee to see about getting an AREDN project going here in Vanderburgh County. We will discuss this some more at the next meeting, and the following meeting after this one we will help get devices programmed for the AREDN mesh. Stay tuned for more info, and subscribe to our <u>groups.io</u> page.

Many thanks to Chris KE9YK for printing out all the pretty certificates for our achievements. I'm impressed every year by how professional they look. It takes a lot of time to get these done as well as the web site and sparks newsletter that you are reading right now. Members like Chris, make the club thrive. Thank you, Chris.

Last but not least, our highest award, the McCutchan Award was won this year by Tom Hilgeman KD9PFH. Tom is currently our Treasurer but his service does not stop there. If you have been at a TARS event, it is often Tom who is doing things to make the event better such as bringing and making the coffee, or organizing food, or planning, set up or take down, etc. If you are enjoying yourself at a TARS event, it was probably Tom's hospitality involved. Thank you, Tom and congratulations!

Don't forget to bring something to share and bring questions for the group to answer at the next meeting. Sharing is caring and also how hams have fun! I think it's antenna party season!

Sincerely, Scott Hibbs KD4SIR President TARS 2023-24

One last reminder

If you have already renewed, **THANK YOU**! If not it's time to renew your dues for 2024! Look for the 2024 membership roster in this issue of SPARKS!

TARS March Meeting 3/14/24

General membership meeting 7:00pm March 14th at Red Cross. We will have a special election to replace Rick Finical whom resigned from the board. The meeting program is by Bruce Hatfield W9GFS, on the upcoming Solar Eclipse. This should be a well informed and interesting presentation.

If you would like more information on the eclipse, the Indiana DHS has a website at:

https://www.in.gov/dhs/solar-eclipse-2024/

There is also eclipse information from the ARRL Letter in an article on page 5 in this edition of SPARKS.

Eat'n Before the Meet'n

Monthly, we have a meetup before the regular TARS general membership meeting for anyone that would like to join us. **We meet at 5:30**, for you to grab a bite to eat, swap stories, tell a few lies and whatever else you like, giving us time to make it to the Red Cross for the meeting at 7:00pm.

This month, join us at Zaxby's 1021 N Burkhardt Rd. Evansville. Check here for more information: Zaxby's Burkhardt Rd

INQP

INQP May 4-5, 2024. TARS will be participating from Scott Park again this year, on Saturday May 4th.

Watch for more information in the April SPARKS and check out the INQP website at: <u>http://www.hdxcc.org/inqp/</u>

The Contest Corner March 2024

By Mark Holland KD0EE

Have you ever gone to the lake and had the other fishermen say, "You should have been here yesterday?" That's the feeling I had when I was on vacation during the ARRL CW DX contest last month. Old Timers are saying it was perhaps the best band conditions witnessed during their lifetime. Point is: The bands are hot! Some are saying we are at the peak of the sunspot cycle. It may be another 11 years before we see HF bands this good. It's time to get on the air! As the old saying goes, "You snooze, you lose."

There are many contests during the month of March. It is best to go to a website such as <u>www.contestcalendar.com</u> to get them all. The huge one this month is CQ WW WPX SSB March 30-31, but don't discount the Russian and the Africa All-Mode DX contests March 16-17. There are also several state QSO Parties: Oklahoma and Idaho (March 9-10), Wisconsin (March 10-11), and Virginia (March 16-17). There is something for everyone.

So, get out there and enjoy the bands!

73, Mark KD0EE

TARS Calendar

March

- 6 Tri-State Emergency Net (Herby, KB9MZH)
- 7 TARS Board meeting 6:30 (ZOOM)
- 13 Tri-State Emergency Net (Mark, KC9TYA)
- 14 TARS Club Meeting 7:00pm Red Cross
- 20 Tri-State Emergency Net (Chris, KE9YK)
- 27 Tri-State Emergency Net (Jerry WB9ONU)

April

- 3 Tri-State Emergency Net (Dave, KC9UVG)
- 4 TARS Board meeting 6:30 (ZOOM)
- 8 Total Solar Eclipse North America
- 10 Tri-State Emergency Net (Terry, WB9KQF)
- 11 TARS Club Meeting 7:00pm Red Cross
- 17 Tri-State Emergency Net (Walt, WB4ZUT)
- 24 Tri-State Emergency Net (Herby, KB9MZH)

Beyond the Baofeng

By Chris Lantaff KE9YK

Have you ever wondered what all the graphs and numbers on the band conditions banner mean?

You can find out in this great PDF article from NOJI.

https://noji.com/hamradio/pdf-ppt/noji/Noji-Article-Band-

For even more in-depth information or getting your own banner go to: <u>https://www.hamqsl.com/solar2.html#usingdata</u>

Rick Jackson K9EXY Silent Key

It is with a heavy heart to announce the passing of Rick K9EXY. Rick always had a welcoming smile and positive attitude. Rick had served on the TARS board for several terms and worked behind the scenes on several projects along with helping at Field Day, INQP and Winter FD operations. Rick was always ready to lend a hand when needed and was humbled yet tickled to be a recipient of the McCutchan award.

Link to Rick's obituary: https://www.jenkinsfuneralhomes.com/obituaries/James-Jackson-177/#!/Obituary

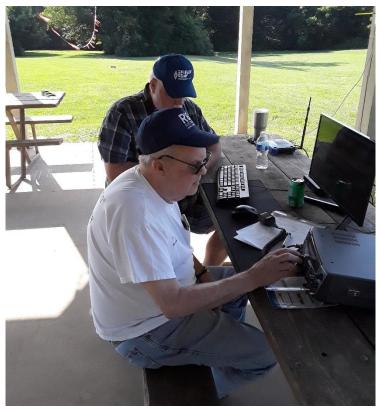

73 OM and GB SK

McCutchan Award

Congratulations to Tom Hilgeman KD9PFH on being presented with the McCutchan Award at the TARS banquet. Tom is always working behind the scenes to keep TARS running like a well-oiled machine. He has served several terms as club treasurer, which is really a thankless job with lousy pay. While committee chairman get the accolades Tom was probably the one making reservations filling out forms and coordinating anything from picnic food, tax forms, shelter reservations and raffle permits. For some most importantly, Tom always makes sure there is a hot pot of coffee brewing or thermos full for the station operators and workers. Congratulations Tom, well deserved!

TARS President Scott Hibbs presenting Tom his McCutchan Award

AREDN Amateur Radio Emergency Data Network

If you missed it, we had a nice presentation on AREDN by Ken K9KDJ on Sat. 2/24/24 at Red Cross. Ken discussed what AREDN is and how we could utilize it locally. AREDN uses off the shelf WiFi equipment to establish a ham radio mesh network. A number of club members are purchasing a router that can be easily adapted to the network and connecting to Ken and his Indiana super node. Once connected to Ken you can connect to a number of services offered on the network. There will be more discussion at the club meeting to see who might be interested on learning more.

McCreary Gravel Rally

It's that time of year again. As you all know we have been invited down to help with communications for the McCreary Gravel Rally in Whitley City, Ky with the Lake Cumberland Amateur Radio Association (LCARA).

I have been in contact with Brian KY4BDP and he would like to get a count on how many of us are planning to make the trek so they have a good idea on the count of volunteers for the event. I know myself and Leslie are planning to go again this year. We will most likely be getting a hotel in Somerset, Ky which is about an hour away from Whitley City because to be honest there is probably nothing closer at this point.

Here is the website about the event as well as the sign-up sheet to volunteer.

Event: <u>https://www.mccrearygravelrally.com</u> SignUp: <u>https://nasarallysport.com/main/event/2024/McCreary-Gravel-Rally</u>

6 of us went down last year from Warrick County, Myself and Leslie, Tom(W9TPJ) and Cyndi(KD9OLB), Erik(KD9OFX) and Mike(K9GPV).

LCARA and I would love it if we could bring more down to help this year. This event can not happen without volunteering. Now this is not saying you will be on the radio taking traffic all day or sitting down being bored either. There are a lot of places that we can help them have another great event.

So, if interested please let me know ASAP or just go sign up on the website. If you have question about the event, you can email me or if a number of you would like to talk as a group, I can be available to discuss it over Discord, conf call or at a meeting.

Thanks all for your support Raymond – W9KHP raymond@w9khp.com

You can watch some highlights from last year on the LCRARA YouTube page here:

https://www.youtube.com/watch?v=4OnwYmFa2KA

WANTED - WANTED - WANTED

The Antenna Committee is getting lazy and fat. If you need help with your shack or an antenna install, please reach out to Scott, KD4SIR @ scotthibbs@gmail.com or Jerry, WB9ONU@ wb9onu@hotmail.com or speak up at a meeting. A dozen or so hams are ready and waiting to help.

Solar Eclipse One Month Away

From The ARRL Letter for March 7, 2024

A total solar eclipse that will be seen across North America will occur on Monday, April 8th. It will be the last of its kind in the US for the next 20

years. Hams across North America are asked to participate in a study about how the ionosphere functions by getting on the air to help scientists ionospheric experiments.

in a series of The 2017 Great American Eclipse. [Sierra ionospheric Harrop, W5DX, photo.]

Ham Radio Science Citizen Investigation (HamSCI) has presentations for hams interested in participating on Wednesday, March 27 at 8;00 PM (Eastern) - 5:00 PM (Pacific)*, and that same day at 10:00 PM (Eastern) - 7:00 PM (Pacific)*. Both 30-minute presentations will held on Zoom and they will feature HamSCI's Festivals of Eclipse Ionospheric Science (FoEIS). The presenters will take your questions during the presentations.

Here is the link to the presentations.

The program will start by covering HamSCI's basis and purpose, and quickly move into why they are conducting experiments, how hams and shortwave listeners (SWLS) can participate, and what they hope to learn from the event. Along the way, they will discuss why the science behind the event is important to users of the high-frequency radio spectrum - including amateur radio operators!

Learn about the HamSCI's eclipse-focused operating events:

- Solar Eclipse QSO Party (SEQP)
- Gladstone Signal Spotting Challenge (GSSC)
- Medium Wave Recording Event
- <u>Time Delay of Arrival (TDOA) Event</u>
- Grape 1 Doppler Receiver Project

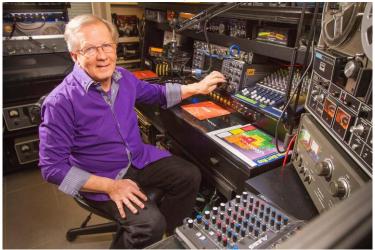

Maritime Mobile Planned

During the solar eclipse, John Landrigan, KA4RXP, will be operating in the SEQP as a maritime mobile off the coast of Mazatlán, Mexico, at the beginning of the total solar eclipse as it transits the Maritime provinces of Canada. Look for KA4RXP/MM around 14.265 MHz.

Bob Heil K9EID SK

Heil Ham Radio

Our beloved founder, Dr. Bob Heil, K9EID, is now a Silent Key. Bob fought a valiant, year-long battle with cancer, and passed peacefully surrounded by his family. Bob's lifelong passion for amateur radio was clear to everyone involved in the hobby. Everything Bob did for the betterment and growth of amateur radio - from his instructional handbooks and countless presentations to his support of the ARRL and youth programs was based on the foundation and spirit of service. Bob was an Elmer to all of us. While Bob's presence will dearly be missed, his impact on the hobby and everyone in it will forever be felt. On behalf of Bob to all ham radio operators worldwide, 73.

Senate Bill S.3690 Introduced to Eliminate Private Land Use Restrictions on Amateur Radio

From ARRL Headquarters Newington CT February 15, 2024

On January 30, 2024, US Senators Roger Wicker (MS) and Richard Blumenthal (CT) introduced S.3690, the Senate companion bill to H.R.4006, introduced last June. Both bills reflect the Congressional campaign efforts by the ARRL to eliminate homeowner association land use restrictions that prohibit, restrict, or impair the ability of an Amateur Radio Operator to install and operate amateur station antennas on residential properties they own.

The text of bill S.3690 can be found at, <u>https://www.congress.gov/bill/118th-congress/senate-bill/3690/text</u>. Amateur Radio Operators repeatedly are relied upon to provide essential communications when disaster strikes, but their ability to do so is being impaired by the exponential growth of residential private land use restrictions that hinder their ability to establish stations in their homes with which to train and provide emergency communications when called upon.

In announcing the introduction of S.3690, Senator Wicker said: "Because communication during natural disasters is often hindered, we should be making every attempt to give folks more options. Reliable access can make the difference between life and death in an emergency. Our legislation removes roadblocks for amateur radio operators looking to help their friends, families, and neighbors."

In a similar announcement, Senator Blumenthal stated: "Our measure will help clarify the rules so ham radio enthusiasts can successfully continue their communications. In the face of emergency or crisis, they help provide vital, life-saving information that allow listeners to properly and safely respond, but prohibitive home association rules and confusing approval processes for installing antennas have been an unnecessary impediment. The Amateur Radio Emergency Preparedness Act resolves these bottlenecks and ensures that radio operators can function successfully."

ARRL President Rick Roderick, K5UR, and Director John Robert Stratton, N5AUS, Chair of the ARRL's Government Affairs Committee, both extended on behalf of ARRL, its Members, and the Amateur Radio community their thanks and appreciation for the leadership of Senator Wicker and Senator Blumenthal in their continuing efforts to support and protect the rights of all Amateur Radio Operators.

Brag Rag

Do you have something you would like to submit for the Brag Rag? Send your QSLs, special event certificates, awards, interesting photos, projects etc. to <u>sparks.w9og@gmail.com</u> to have them included in your newsletter.

BITS of Interest

The results from HamSCI's first Festivals of Eclipse Ionospheric Science event have been released. <u>HamSCI</u> has announced the results from the inaugural running of the <u>Gladstone Signal</u> <u>Spotting Challenge</u>. Held during the October 14, 2023, North American annular solar eclipse, the challenge was designed to recognize operators of digital mode stations who contribute valuable data to ionospheric research. Receiving stations uploaded their records to sites such as <u>PSKreporter.info</u>,

WSPRnet.org, and reversebeacon.net.

Transmitting stations were received by stations worldwide who uploaded their results to the same databases, creating records of the transmitting stations' activities. Here is the <u>link to the full</u> <u>results</u>, including participant scores and a sampling of station design details and station photographs. The next event will be held on April 8, 2024, during the North American total solar eclipse.

Amateur radio operators have the opportunity to celebrate the anniversary of the launch of the USS Midway. On March 9, 2024, from 1700Z - 2359Z, the ship's radio station will operate as NI6IW on 7.250, 14.320, and 14.070 MHZ, as well as on PSK31, D-STAR, and the <u>PAPA</u> repeater system. The USS Midway is located in San Diego, California, at the USS Midway Museum. It was launched on March 20, 1945, and decommissioned on April 11, 1992. Commissioned 8 days after the end of World War II, Midway was the largest warship in the world until 1955. A QSL card is available for the special event by sending a self-addressed stamped envelope with your QSL card to USS Midway CV-41 COMEDTRA, 910 N Harbor Dr., San Diego, CA 92101. A complete history of the ship can be found at <u>USS Midway: A Navy Battle 'Aircraft Carrier'</u> with An Armored Flight Deck | The National Interest.

VE Testing

Secretary Report TARS Board Meeting 1/4/2024

Board meeting minutes 2024-02-01

Scott called tom order at 6:35PM

• Scott announced that Rick Finecal has resigned from TARS and the TARS Board and Repeater Committee. He gave no specific reason but indicated that he had no choice.

• Secretary's report read by John N9oL. Report accepted.

• Treasurers report read by Tom kd9pfh. Ending genj fund bal \$7446.97. IGC acct \$900.81. RC acct \$1066.99. Report was accepted.

• Tom KD9PFH proposed to purchase a cash box for 26.99 plus tax to use at Hamtoberfest. Motion made Walt, seconded by Markkd0ee. Motion passed

Past business

o Scott asked about the domain renewals for Hamtoberfest sites. Chris indicated those renewals have not been made yet.

o Chris ke9yk indicated he received the renewals for w9og.net domain and website. \$127.78. Walt motioned to pay this fee. John N9oL seconded. Motion approved.

New Business

o Hamtoberfest- discussed what the raffle prize will be. It was announced that anyone with suggestions for a raffle prize please send to n9ol and we will discuss at next board meeting.

o Shack committee- N9ol shared that the chairs are in the shack.

o INQP – Event chairman will be Mark KDOEE. Discussion ensued on location for the event. Decision to use Scott Township Park, motion made by Walt wb4zut and seconded by Charlie wb8ldv. Motion passed.

o Summer Field Day. John N9oL will be chairman. Walt made motion to hold summer FD at the Red Cross facility, John N9oL seconded. Motion passed.

o Repeater committee.

Image: Wires-x node for 835 is going to be moved to Mark n9pdl.

 Replace node computers for both evv west evv ne.

Dave has a call into Cliff Weaver to set up a meeting to discuss the 146.79 improvements.

Image: We set a time to visit the state police post to review the site.

Proposed to the board purchase of a mini-tower computer for \$225. Mark kd0ee made motion to purchase that, Dave wb9yig seconded the motion. Motion passed.

Non-licensed individuals using repeater freqs. Scott is sending a personal letter to one individual.

Mark kd0ee suggested that we should look for ways to improve the key-up latency of the receive/voter of the repeater.

 $\ensuremath{\textcircled{}}$ Discussed how to react to unlicensed users we hear on the repeater.

o WW2 museum- Scott is still working on the oscillators. Discussed other options for CW oscillators.

o Banquet- All set for Feb 8. Price for food plus drink \$22.66 plus tax with drink. \$19.43 without a drink. These are a little higher than we originally thought. Christ ke9yk working on award certificates.

o Discussed Lewis and Clark Trail On The Air. Decided to do it again this year.

Meetings

o March meeting – Bruce Hatfield wants to present on astronomy

o April - Jeremy Mathews will do presentation on distracted driving and Ham Radio as well as talk about his DMR repeater.

- o May- Brian Esche to present on IP Addressing.
- o June meeting- field day prep
- o July- kit build night, possibly CW oscillator?

o Club picnic- Jerry to get with Jeremy Mathews to reserve the FOP camp for one of these- Sep 7, 14, or 21.

- o September revisit the ISS contact of 10 years ago.
- Discussed Hamshack Hotline
- Meeting adjourned at 8:15PM

John C Van Vorst, TARS Secretary

TARS General Meeting 1/11/2024

Tri-State Amateur radio Society

General Membership Meeting - Meeting Minutes Date: 02/08/2024

Pre-meeting- All present enjoyed good food and fellowship at this our annual TARS Banquet meeting.

Meeting called to order by ___Scott Hibbs KD4SIR____ at 6:05PM CST Reading of officer reports:

Treasurers Report read by Tom Hilgeman KD9PFH – report was accepted. Secretary's Report – Minutes from 01/11/2024 meeting read by John Van Vorst, N9oL – Report was accepted.

Vacant Board Position due to the resignation of Rick Finecal from the board. Nominations were requested.

Future Meetings – March meeting will be presentation of the eclipse, April meeting will be a presentation by Jeremy Mathews on DMR, September meeting will be a presentation and video of the ISS contact with EDS 10 years ago.

Discussed the new name tags that are available from Sign Man of Baton Rouge

Awards ceremony – Chris KE9YK gave out certificates for members leadership and participation throughout the past year.

Presentation of the McCutchen Award to Tom Hilgeman KD9PFH. Meeting was adjourned at approximately 6:30PM.

John C Van Vorst, TARS Secretary
