

The April 2020 issue of SPARKS, newsletter of the Tri-State Amateur Radio Society, is attached.

TARS members:

**The Red Cross facility management has informed me that the Red Cross facility in Evansville is closed and any meetings and functions scheduled there have been cancelled.** This is in response to the COVID-19 crisis.  
We will be notified when normal schedules can resume.

**Until further notice please do not go to the Red Cross.** If there is an urgent need to get into the radio room please call me.
