

The June 2020 issue of SPARKS, newsletter of the Tri-State Amateur Radio Society, is attached.

Due to the Covid-19 situation Field Day will be much different this year. You can find information on how to participate in Field Day in this SPARKS. Just a reminder to all the Tech class ops, while you have voice privileges on 10m ssb Field Day can be operated on 50Mhz and up.

The location for the June 27th VE testing is being secured at this time. Watch the TARS website for location information.

For the latest news check in to the Tri-State Emergency Net, Wed night 8:00 pm on the 146.790 repeater.

We are currently running the net Mon, Wed and Fri nights at 8pm due to the Covid-19 Lock-down.

This net schedule will run till the end of June and will be reevaluated at that time.
