

## Winter Field Day

**January 27<sup>th</sup>** at Wesselman's Park. Set up about 9:00 AM and the contest starts at 1:00 PM .

Chris KE9YK will have his almost famous bean soup and cornbread at Noon. Anyone wanting to bring anything to share is welcome too. We will have a fire going to keep warm and generally have several members set up HF and you are welcome to operate.

The object of the event is familiar to most Amateur Radio operators: set up emergency-style communications and make as many contacts as possible during the 24 hour period. The rules encourage as many contacts on as many bands and modes as possible, because during a real emergency, the most important factor is the ability to communicate, regardless of band, mode or distance.

The official rules can be found at <https://www.winterfieldday.com/>.

The event is open to all amateurs, although we encourage everyone to join in the discussions and other activities.
