

The complimentary December 2013 issue of SPARKS, newsletter of the Tri-State Amateur Radio Society, is now available.

Eat'n Before the Meet'n

We will meet for food, fellowship socializing, "story tell'n" and whatever else comes to mind before the regular December 12th TARS meeting at [Jason's Deli](#) 943 North Green River Road.

As usual we will be monitoring the 146.79 repeater if you need directions or just want to chat on the way. Meet the group at 5:30 (you can get there sooner if you want) or whenever you can make it. Check in on 146.79 if you need directions or just want to chat on your drive in.

Everyone is welcome.
