

The complimentary March 2014 issue of SPARKS, newsletter of the Tri-State Amateur Radio Society, is now available.

Eat'n Before the Meet'n

We will meet for food and fellowship before the regular March 13th TARS meeting for food, socializing, "story tell'n" and whatever else comes to mind, at Moe's Southwest Grill 6401 E Lloyd Expressway, in the plaza directly in front of Target.

Moe's offers a variety of build your own Southwest/Mexican foods at reasonable prices.

Meet the group at 5:30 or whenever you can make it.

As usual we will be monitoring the 146.79 repeater if you need directions or just want to chat on the way.

Everyone is welcome.
