

The April 2020 issue of SPARKS, newsletter of the Tri-State Amateur Radio Society, is attached.

TARS members:

The Red Cross facility management has informed me that the Red Cross facility in Evansville is closed and any meetings and functions scheduled there have been cancelled. This is in response to the COVID-19 crisis.
We will be notified when normal schedules can resume.

Until further notice please do not go to the Red Cross. If there is an urgent need to get into the radio room please call me.
